

Chester County Fund for Women and Girls
Leading and Uniting the Community for Women and Girls

Core Grants Program
Request for Proposals

Posting Date: December 2, 2016
Closing Date: January 13, 2017

Objective of this Request for Proposals:

To issue grant funding to organizations demonstrating a commitment to women and girls in Chester County. Grant recipients should have a gender lens. That is, they should demonstrate an understanding of the unique challenges women and girls face pursuing equality and the ways in which systems, institutions, and policies must change to advance women's equality. In addition, the proposed programs should be project-specific and should provide deliverables, milestones, and/or achieve measurable outcomes as possible within a year of receiving the grant. The work outlined in the proposal should be connected to long-term positive impact for women and girls.

Any organization applying for a general operating or capacity building grant must demonstrate that women, girls, or mothers and their children in Chester County make up at least 75% of the organization's total target population. Organizations applying for program or project support must demonstrate one of the following: 1)100% of the recipient of services supported by a CCFWG grant are women, girls, or mothers and their children in Chester County; or 2) the proposed work will produce impacts that increase resources and opportunities for women and girls in Chester County. Please see *Funding Priorities and Guidelines for more information regarding the Fund's eligibility requirements, preferences, and exclusions.*

Background:

CCFWG's mission is to lead and unite the community through philanthropy and advocacy to ensure that women and girls have resources and opportunities to thrive. To achieve this, CCFWG is looking to award grants to organizations or partnerships that demonstrate the ability to advance CCFWG's mission. The size and number of grants awarded will be based on the funds that are available.

Funding Priorities:

CCFWG is interested in funding organizations that address the following priorities:

- Meet the core needs of women and girls;
- Improve access to economic opportunities for women and girls;
- Promote health and wellness by addressing needs specifically related to the health of women and girls; and

Examples of services provided by our grantees include, but are not limited to:

- Vocational training and workforce preparation
- STEM programming for girls
- Case management for teenage mothers
- Improved access to women's health services
- Domestic violence services
- Housing and homelessness prevention
- Youth development programming focused on girls leadership and/or empowerment

Through investment in these areas, CCFWG hopes to play an active role in providing equality and security for women and girls, making our communities stronger and more vibrant for everyone.

Other Notes:

- Anti-discrimination Policy: CCFWG does not discriminate against organizations on the basis of sex, race, color, national origin, ethnicity, creed, religion, sexual orientation, gender identity, age, marital status, physical and mental ability, military or veteran status, or any other characteristic protected under federal, state or local law. In fact, CCFWG upholds diversity and inclusion, recognizing that its work will be strongest with a rich variety of perspectives.
- CCFWG will review all proposals and assess need. CCFWG may not fund the full amount requested.
- Grant awards are subject to the approval of the full Board of Directors. It is not the intention of CCFWG to establish an ongoing or permanent grant relationship with grantees.
