OF EATING DISORDER CASES WHICH CARRY THE HIGHEST MORTALITY RATE OF ALL MENTAL ILLNESS

WHAT THE FUND WILL DO

FUND programs and organizations addressing our community-identified priority areas, specifically the area of promoting health and wellness by addressing needs specifically related to the health of women and girls.

EDUCATE the community about the findings of the Blueprint Report through informative events, print and social media.

CONVENE women's groups, organizations, community members and other stakeholders to develop a collective plan to promote women's health.

ADVOCATE by informing legislators how policies and programs impact women's health and access to healthcare.

CCFWG

The Fund leads and unites the community through philanthropy and advocacy to ensure that women and girls have resources and opportunities to thrive.
